

BRAVAUX!

BRAVAUX!

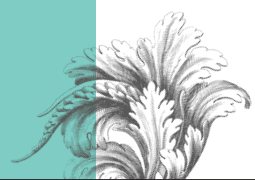

is a sparkling drink for those who appreciate character, depth and enjoyment - entirely alcohol free.

Building on the success of our Träublein, we have created a more sophisticated interpretation: deliberately dry, vibrant and fresh, carried by a fine, elegant herbal bitterness.

In **BRAVAUX!** we have brought together two worlds of artisanal craftsmanship:

From the Clemens Härle Brewery comes a carefully brewed barley malt base, combined with the delicate bitterness of fine hop varieties.

From the vineyard comes organic verjus, pressed from underripe green grapes, whose fruity acidity brings freshness and a lively balance.
