

## OUR COLORFUL VARIETY

From cheerful varietals and terroir-influenced sparkling Rieslings to the Erbacher Marcobrunn single vineyard Sekt and the future-oriented cuvées called l'Artiste, the style of VAUX is always clearly recognisable: a light-hearted freshness combined with fine elegance that creates a delicious experience which turns every moment into a celebration.

# VAUX – PURE CRAFTSMANSHIP

We are true believers in the traditional method of sparkling production. Our Sekts are always brut or drier, and always made with heart and soul.

Florian Franke – Cellar and Vineyard Manager
