

## BRAVAUX!

BRAVAUX! is a non-alcoholic organic aperitivo with a vibrant character and refined balance. On the nose, fruity notes meet a pleasant, subtle herbal touch, while the hops remain delicately in the background. On the palate, it reveals a refreshing clarity: fruity yet not sweet, with a lively, gently present acidity at the start. Fine tannins and delicate bitter notes add structure and provide a pleasing length. The finish is light, fresh, and dry — modern, invigorating, and effortlessly enjoyable. Simply BRAVAUX!
