

# BUBBLES *without troubles*

# TRÄUBLEIN

Alcohol-free, fizzy and spicy taste, 100% organic ingredients. TRÄUBLEIN is our answer to the common request for a high-quality alternative beverage: An alcohol-free bottle from Schloss VAUX that's a pleasure to drink.

## FACTS

---

**PHILOSOPHY:** A touch of rosé in its color. A refreshing and sparkling affair, with a bouquet offering fruitiness reminiscent of cassis, grape, and malt.

---

**NICE TO KNOW:** Träublein is produced in cooperation with our friends at the Clemens Härtle brewery in the Allgäu.
